Dear Parties of Record,

Pursuant to the *Ex Parte* Communication Policy of the Public Service Commission, I am emailing you all about a recent inadvertent communication. A new employee in our office communicated via email with an employee of NANPA, a party in this matter. In an unrelated discussion between the two, Docket No. 2022-141-C was mentioned. Although nothing material was shared and there was no discussion about the docket, I wanted to make you all aware out of an abundance of caution and in the interest of transparency. The inadvertent communication will be posted to the Commission's docket management system. Please let me know if you have any questions.

Thank you,
 Sandra
